ABOUT US / SOBRE NÓS / SOBRE NOSOTROS

EN

Blue Veterinary is a european company specializing in the development of veterinary surgical materials. Founded by veterinarians, our firm understanding of the dynamics and needs that arise in clinical practice sets us apart.

Our mission is to streamline the hectic schedules of veterinarians, allowing them to concentrate fully on their performance in the operating room. Blue makes this mission possible by delivering the most suitable instruments and implants for each case through a straightforward, transparent, and efficient process.

Blue Veterinary: Trust us to enhance the precision and effectiveness of your surgical procedures.

PT

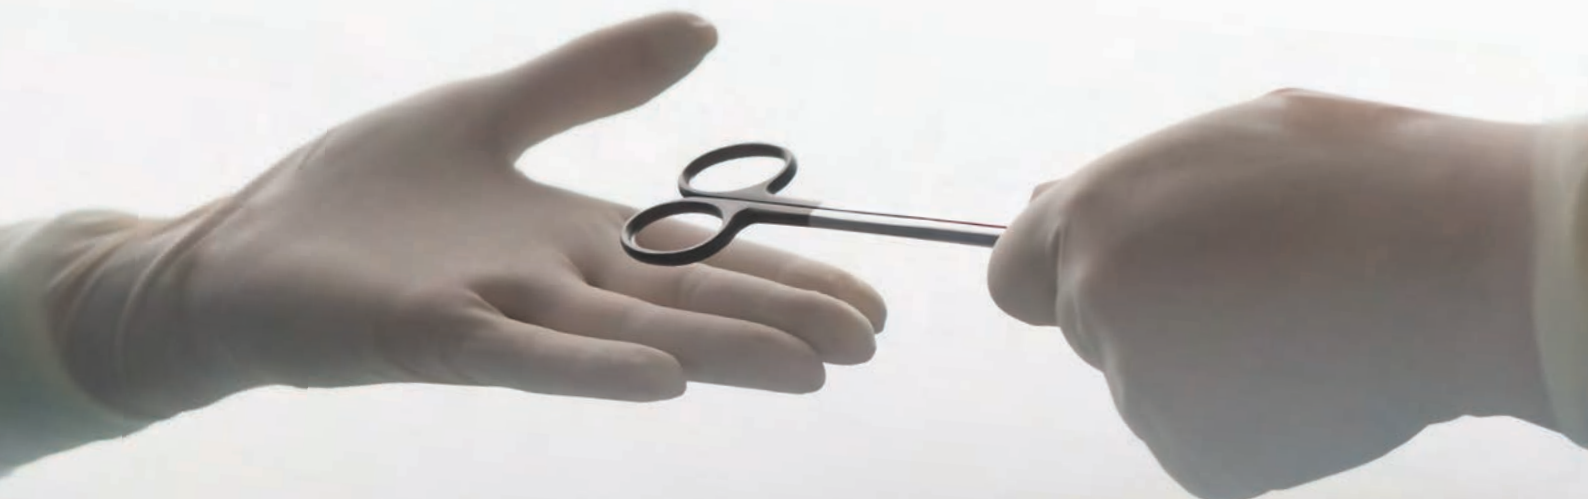

A Blue Veterinary é a pioneira em Portugal no desenvolvimento de material cirúrgico veterinário. Somos uma empresa fundada por veterinários pelo que possuímos um profundo entendimento da dinâmica e das necessidades que surgem na prática clínica. A nossa missão é simplificar a agenda sobrecarregada dos médicos veterinários, permitindo que se concentrem plenamente no seu desempenho no bloco operatório. Isso só é possível com a Blue pois fornecemos os instrumentos e implantes mais adequados para cada caso, seguindo um processo fácil, transparente e eficaz.

Blue Veterinary: Confie em nós para melhorar a precisão e eficácia dos procedimentos cirúrgicos.

PRICE

The cost values indicated on the website do not include tax rates.

Blue reserves the right to modify its products' prices at any time. If for any reason the price indicated is incorrect the order will be canceled even if it has already been confirmed.

AVAILABILITY

If at any moment there is a stock break Blue will contact the customer and the order regarding the missing items will be canceled or a date for shipment of the remaining product will be agreed.

DELIVERY TIME

We work with the best shipping companies in the world so that orders are delivered within 24 to 48 business hours (Islands +72 hours.). As soon as your order is shipped, you will receive an email with the shipping confirmation along with the tracking number so you can know the delivery forecast through the carrier's website. As a rule, deliveries are made within the indicated period. However, there may be delays with the shipping company in exceptional circumstances. We don't deliver on Saturdays, Sundays, or holidays.

RETURNS

To make returns please contact Blue via website, email or telephone and present the reasons for your dissatisfaction. Returns can be made within 15 days after the product's purchase.

The product must be sent by the customer to Blue's central warehouse in Portugal and must be presented as received.

WARRANTY

Blue's products are covered by a lifetime warranty against manufacturing defects and any lack of conformity found is covered by this legal warranty. The presentation of the purchase's invoice is always required, without which the respective guarantee condition cannot be safeguarded.

The warranty does not cover replacement of consumables, abnormal or non-compliant use, or damage caused by the intervention of an external repairer.

The warranty may not apply or be partially enforced in some cases, such as liability of the customer resulting, for example, of incorrect use or installation, damage resulting from a cause external to the product, harmful use of the appliance or any conformity defect known by the customer upon the ordering.

If it is impossible to repair or replace the product, an alternative solution will be agreed between the parties or the amount paid for the product will be refunded.

CORTICAL SCREWS

The cortical screws are made with high-performance stainless steel 316L and 317L, finished with high resolution CNC manufacturing.

The triple self tapping flute, together with the strengthened precision hexagonal head allows to facilitate the introduction of the screw with less effort, reducing failure.
